2020 / 2021

Your first step to an exciting new career!

► Message from the President

Welcome to ILAC Higher Education! Our mission is to provide you with a life-changing educational experience that will help you discover who you are and lead you to success.

We offer programs in business and marketing, health care and nursing, hospitality, tourism, and information technology with ILAC International College, Canadian Tourism College and Sterling College. Co-op options are available for students interested in paid work experience in addition to regular studies.

We have also established partnerships with other educational institutions allowing graduates to take their education

to the next level with pathways into degree programs.

We offer multiple start dates throughout the year, allowing you to take your first step to an exciting new career as soon as you're ready.

Our faculty have extensive industry experience and connections within the industry. They are here to guide you throughout your educational journey, even after you graduate.

Your higher education experience begins here. On behalf of ILAC Higher Education, welcome to Canada!

Feroz Ali

President, ILAC Higher Education

► Why Red Deer College?

Sterling College is pleased to offer three Red Deer College programs. The programs have the advantage of receiving dual awards: two-year Occupational Diplomas from Red Deer College; two-year diplomas in Software Development, Network Administration, and two-year Certificate in Health Care Practice and Management from Sterling College.

Red Deer College continues to grow programs, facilities and opportunities as it transitions to become a comprehensive regional teaching university during the next three to five years.

"The instructors are there to help each student. They help with hands on training to accomplish their goals."

Kathelean Miranda

► Diploma in Software Development*

Prepare yourself for a career in the software development field or advance your current position. Learn how to code and focus on topic areas such as software development, databases, system administration, security, data communications and web development.

Graduates will be positioned to enter careers as Computer Programmers, Web Developers, Software Testers, Mobile Application Developers and many more!

*Students will receive a Post-Graduate Certificate in Health Care Practice and Management from Sterling College and also receive an Occupational Diploma in Health Care Practice and Management from Red Deer College.

► Why Canadian Tourism College?

CTC programs are the best of the best in travel, tourism and hospitality education. Come to Canadian Tourism College to earn the credentials that matter.

- **Welcoming atmosphere:** At CTC we believe that the best education is achieved when you feel welcome, included, and a part of the CTC family.
- **Alumni success:** Our graduates get great jobs in the tourism and hospitality sector.
- **Educational Pathways:** Your academic journey doesn't have to stop with CTC. Check out the educational partnerships and training paths we have developed for CTC students.

"CTC helped me to become a professional individual and to become part of one of the leading airlines in Canada. All instructors are very accommodating and you'll learn a lot from them. **Thanks a lot!**"

Angelica Narra

► Flight Attendant Diploma

Being a flight attendant isn't just a job—it's a lifestyle. The aviation industry offers exciting opportunities to jet off to Europe for the weekend and take advantage of the many incredible free perks for extended travels. Most flight attendants work only about 12 to 15 days monthly, so say goodbye to the 9 to 5 grind! Say hello to an experience.

CTC courses are delivered in a modular format, meaning students will study one course at a time, for a total of 20 hours per week, or roughly 40 hours total, staying with the same cohort of students for the duration. Program sequencing may vary based on start date and transfer credit.

COURSES

Introduction to the Airline Industry (20 Hours)	Aircraft Safety and Critical Incident Training (24 Hours)	Aircraft Systems (44 Hours)	Emergency Procedures Training (24 Hours)
Professional Development (24 Hours)	Cultural Seminar (4 Hours)	Food Service Training (4 Hours)	First Aid (16 Hours)
Leadership (4 Hours)	Team Building (4 Hours)	Cabin Firefighting (4 Hours)	Aviation Company Seminar Training (4 Hours)
Airport Familiarization (4 Hours)	Onboard Service Procedures (8 Hours)	Assisting Travellers with Disabilities (4 Hours)	Serving it Right (4 Hours)
