Undergraduate Research Opportunities

Undergraduate students at OSU have the opportunity to conduct research. It will enhance the student learning experience through mentoring relationships with faculty & will allow him/her to apply the concepts learned in coursework to “real life” situations. Hundreds of opportunities exist for students to become actively involved in the scholarly pursuits of the faculty and to take part in a compelling learning experience.

International Students Scholarships

INTO OSU and OSU has several scholarships available for international students. For more information about availability and requirements visit oregonstate.edu/admissions/international/scholarships or email INTOOSUScholarships@oregonstate.edu

Undergraduate Programs at OSU

Undergraduate Majors Available at OSU

College of Agricultural Sciences	College of Engineering	Ethnic Studies
Agriculture Business Management	Bioengineering	French
Agricultural Sciences	Chemical Engineering	German
Animal Sciences	Civil Engineering	History
Bioresource Research	Computer Science	History of Science
Botany	Construction and Engineering Management	Liberal Studies
Crop & Soil Science	Ecological Engineering	Music
Environmental Economics and Policy	Electrical and Computer Engineering	Philosophy
Fisheries and Wildlife Sciences	Energy Systems Engineering	Political Science
Food Science and Technology	Environmental Engineering	Psychology
Horticulture	Industrial Engineering	Social Science
Rangeland Sciences	Manufacturing Engineering	Sociology
Sustainability	Mechanical Engineering	Spanish
	Nuclear Engineering	Speech Communication
	Radiation Health Physics	Women, Gender and Sexuality Studies
College of Business	College of Forestry	College of Public Health and Human Sciences
Accountancy	Forest Engineering	Exercise and Sport Science
Apparel Design	Forestry	Human Development and Family Sciences/Studies
Business Administration	Natural Resources	Nutrition
Business Information Systems	Recreation Resource Management	Public Health
Finance	Renewable Materials
